#### Synopsis

The Carolina-Clemson Rivalry occupies a unique place in South Carolina culture. Its name, familiar to every South Carolina native, brings to mind images of heroes, villains, friends, foes, drama, humor, shame, and pride. South Carolina filmmakers Jeff Sumerel and Chris White have brought together past players, coaches, fans, and scholars from very diverse backgrounds to tell the story of the "Carolina-Clemson Game." Lyrical in story line, with a wealth of original and archival imagery, *BRAGGING RITES* tells the history of the rivalry through the actual and dramatized words of many of those people who have been part of the story.
